

#1

As a driver
I want to park my car
So that I can catch my
flight

1. You can park a car if the lot has free space.
2. You cannot park the same car twice
3. You cannot park the car if the lot is full.

#2

As a driver
I want to unpark my
car
So that I can go home

1. A space in the lot gets free-ed up and the car is not in the lot anymore.
2. You cannot unpark a car which is not in the lot

#3

As a ParkingLot
owner

I want to know when
the lot is full

So that I can put out
the full sign

#4

As a parking lot
Owner

I want the parking lot
to tell me when it has
space again

So that I can take in
the full sign

#5

As a parking lot Owner

I want a parking attendant to
direct cars to a lot which has
space

So that cars can park in
multiple parking lots

#6

As a ParkingLot owner
I want the attendant to
unpark cars from multiple
lots

So that I can sleep at
home and earn money

#7

As a parking lot Owner

I want the parking attendant to
direct cars to the lot with the
most free space

So that small lots don't get
filled up first

#8

As a parking lot Owner

I want the parking attendant to
direct cars to the lot with the
most capacity

So that large lots get filled up
first

#9

As a parking lot owner

I want the parking attendant to
direct cars to the lot with the
largest percentage of free
space

So that all lots get their fair
share of money

#10

As a car owner

I want to park in the cheapest
lot

So that I can save money

#11

As a car owner

I want to park in the lot nearest to
the place I want to go to

So that I have less distance to
walk

#12

As a garage owner

I want to change the way cars are
parked at lunchtime

So that I can park cars faster

#13

As a car owner

I want to park in the lot nearest to
the place I want to go to

So that I have less distance to
walk

#14

As a parking lot Owner

I want the parking attendant to
direct cars to lots evenly

So that parking lot owners are
treated fairly
